7<sup>th</sup> March 2018

## British Science Week 2018 - Stay and Learn Event

Dear Parents/ Carers

The week beginning the 12th March KS1 and KS2 children will be taking part in British Science week and carrying out a range of activities linked to this year's theme: Exploration and Discovery.

On Thursday 15th March 2018 you are invited to come and join in with some science related activities in your child's class. Activities with the children will be carried out in the classroom between 2pm and 2.45pm.

Children will be dismissed as normal at the end of the school day.

Thank you for your continued support. We look forward to seeing you there.

Miss Rowntree
