Dear Parents/Carers,

As you will be aware, this academic year we have been fortunate to have new purpose built nursery provision attached to the main school building. This has allowed us the space to offer 30 hours free child care for our nursery aged children (3-4years) in our previous, renovated and fully refurbished nursery building.

The 30 hour free child care is open to working families where parents work the equivalent to 16 hours per week earning less than £100,000 annually (see the attached leaflet for more information and useful websites to check your eligibility).

In addition to the nursery setting you can also access the breakfast and after school club using your free 30 hours, potentially providing child care from 7.30am till 6pm daily (children can access up to 10 hours each day).

We are also able to offer the additional hours to families whom may not be eligible for the free 30hours at a cost of £4 per hour/£12 per session (3hrs).

Should this be of interest to yourself, family member or friends and you require any additional information please contact school to speak to a member of staff who will be able to assist you.

Yours sincerely

**Mrs R Rowbotham**  
**Early Years Leader**
